"Better *value* for every dollar spent. At SIMCOM, it's just that simple. An instructor/student ratio of one-on-two provides a personal and effective training environment. And, having the same simulator and classroom instructor ensures greater training continuity. We also customize our programs to meet your schedule, needs and budget...to make it work for you.

Call **1-800-272-0211** today and schedule your next MU-2 training event. Once you experience the *solid value, personalized training* and *friendly environment* at SIMCOM, we think you'll agree that this is still the best value for your training."
